Dear Mr. Park,

Receipt of your notice for drilling on the MM claims in the Broad Canyon area, T9S., R3W., Sections 11 and 15 is acknowledged. As discussed with Diana Christensen and noted on the form you submitted, the BLM is allowed 15 days to review a notice prior to initiation of work. Work on your claims was initiated only one day after receipt of your notice and could result in the mandatory plan-of-operations and bonding for future operations on public lands. You are also responsible for damage to cultural resources that may occur as a result of your work. Please insure that future submissions are in a timely manner.

All drill holes are to be plugged as per the enclosed procedure. If you have any questions please contact Steve Brooks at 524-5348.

Sincerely,

Howard Hedrick
